

# CINNAMON LEADERSHIP TRAINING

**Cinnamon Leadership Training remains an essential part of the support we offer to local churches across the UK and Ireland.**

In the last 12 months, Cinnamon Network were invited by local church leaders, across the denominational landscape, to deliver 17 training days in areas spanning Sheffield and Castleford, Wrexham, Manchester, Bristol, London, Oxford, Northampton, East Grinstead and Swansea. In total, 262 participants attended training days.

Training days are always vibrant and fun. The material is designed to enhance individual leadership capacity and to resource team members with the tools, confidence and knowledge to lead and serve in their communities through their chosen social action projects.

The leadership training consists of four modules:

1. Leading Confidently
2. Leading Your Team
3. Partnering with Others
4. Promoting the Project

Participants love the approach we take that engages a variety of learning preferences and provides opportunity for engagement in group discussion as well as time to pause for personal reflection. We have a great team of training facilitators across the country who deliver the courses and we are grateful

for their continued support and willingness to share their gifts and wisdom.

As we look to the future, we will continue to connect people and churches across denominational and cultural streams. We hope to reach more rural communities and explore developing leadership training specifically for young people. Our hope is that the leadership training will continue to inspire vision, promote confidence and equip individuals and teams wherever they are located.
