

FINANCIAL INVESTMENT

It costs £2,000+VAT to register with 4Family and receive training. You will need to pay for transport, stationary and any phone calls.

ACTIVITIES

Volunteer mentors commit to visiting a family at home for an hour a week, for up to a year.

COMMUNITY SUPPORT

4Family will help you connect with local councils, social workers and health workers who can put you in touch with families who need support.

PROJECT SUPPORT

4Family provide resources, training and support. You can also contact churches running similar projects.

SUPPORTING SAFER, STRONGER FAMILIES

4Family equips local churches to support families who may be isolated, lonely, vulnerable, or struggling to cope in their communities.

TIME FRAMES

It will take at least 3 months to complete the training, assemble your team and make contact with local authorities. Volunteers spend about an hour a week with each family, plus an hour a week on admin.

HUMAN RESOURCES

You will need to appoint a Link Worker to coordinate the project and liaise with local authorities. You will also need a team of volunteers to support families.

PHYSICAL RESOURCES

You will need to provide your own transport to visit families and somewhere secure to store information.

TESTIMONY

"I have had help to get my finances back on track and even look at future opportunities in education and work to help my family." 4Family beneficiary.
